COVID19 Standard Operation Procedure (SOP)

Safe Return to Trail Race Guidelines

Trail race must return in a manner consistent with sound public health guidelines. The Organizer has crafted interim guidelines to outline best practices for operating the trail run race in the context of the COVID-19 outbreak. These guidelines are designed to allow it to be organized in a manner consistent both with a community's objectives and with the expectations of public health entities around the world.

Our approach and practice will start from when participants arrive at an event for Race Entry Pack Collections (REPC) and continued until they left the venue post-race. We will focus on all aspects of the race experience including registration, expo, merchandise, checkpoints and finish line.

In addition to applying our own best practices, The Organizer will follow all regulations and guidelines applicable to the local venues.
